DEBTOR'S MOTION FOR THE USE OF CASH COLLATERAL

207 New Market Street, LLC, a South Carolina Corporation ("Debtor"), hereby files this Motion seeking entry of an Order authorizing the use of cash collateral on which City National Bank ("CNB") asserts a security interest and lien. The Debtor proposes to use the cash revenues for payment of operating expenses which are absolutely necessary for the continuation of the Debtor's business. In support of this Motion, Debtor submits the following:

INTRODUCTION

1. The Court has jurisdiction over this matter pursuant to 28 U.S.C. Section 1334.
2. This proceeding is a core proceeding pursuant to 28 U.S.C. Section 157 (b)(2).
3. Venue of this proceeding is proper pursuant to 28 U.S.C. Sections 1408 and 1409.
4. The Debtor filed a voluntary petition for relief under Chapter 11 of the Bankruptcy Code on January 25, 2011 (the "Petition Date").
5. As of the Petition Date, the Debtor has been operating its business as debtor-in-possession pursuant to 11 U.S.C. Sections 1107(a) and 1108.

6. No official committee has been appointed for this case.
7. Debtor owns a 204 unit apartment complex in Greenwood, South Carolina known as New Haven Apartments.

ASSERTED LIEN AND ADEQUATE PROTECTION

8. As of the Petition Date, CNB claims to be owed approximately Three Million, Three Hundred Seventy-Seven Thousand, Eight Hundred (\$3,377,800.00) Dollars from the Debtor. CNB's claim arises from promissory notes dated April 26, 2006 for Two Million Four Hundred Ninety-Five Thousand (\$2,495,000.00) Dollars amended September 1, 2007 for an amount of Three Million Two Hundred Twenty (\$3,220,000.00) Dollars.

9. The Three Million Two Hundred Twenty (\$3,220,000.00) Dollar loan is allegedly secured by the following assets of the Debtor:

a)	Property:	Approximate value of One Million Six Hundred Thousand (\$1,600,000.00) Dollars;
b)	Personal Property:	\$24,700.00
c)	Assignment of Rents:	Varies monthly based on collections, average is \$41,000.00/month
d)	Personal Guaranty of:	Bob McKenney and Robert Rukavina
TOTAL SECURITY:		\$1,624,700.00 plus

10. 207 New Market Street, LLC has received a loan commitment from AmeriCommercial Capital, Inc for Three Million (\$3,000,000.00) Dollars per Exhibit "B".

RELIEF REQUESTED

11. The Debtor herein is unable to operate its business and to pay critical operating expenses without the ability to use Cash Collateral (as

defined in Section 363(a) of the Bankruptcy Code). Without the use of rental income the Debtor will suffer immediate and irreparable harm if the relief herein is not granted.

12. From the analysis above comparing the claimed security interest with the assets providing protection to CNB, it's clear that CNB is adequately protected if the Debtor is permitted to use Cash Collateral.

13. The Debtor requests authorization to use Cash Collateral in accordance with a budget that is attached hereto in Exhibit A.

14. The Debtor's use of cash collateral in this case is absolutely necessary for the continued operation of the Debtor's business. In order to generate continuing rental income, the Debtor must have the resources to continue in business. Debtor needs to pay operational expenses, such as payroll, utilities and insurance as listed in the projections attached hereto as Exhibit "A".

15. Debtor seeks to use cash collateral as indicated in the projections attached hereto as Exhibit "A", and also request permission to exceed line items as long as it does not exceed the overall amount requested in the budget.

16. In the event CNB is determined to have a valid lien on cash collateral, Debtor agrees to provide CNB a replacement lien on post-petition cash collateral in the same validity and priority as its pre-petition lien, to the extent of any diminution in its cash collateral post-petition.

17. Section 363(c)(2) of the Bankruptcy Code provides that the Debtor may use cash collateral if each entity that has an interest in such cash collateral consents or if the Court authorizes such use after notice and hearing. Notwithstanding the objection of a party with an interest in the cash collateral, pursuant to Section 363(e), the Court may authorize the use of cash collateral

if such creditor is provided with adequate protection for its interest in the collateral.

18. CNB has an the value of the collateral securing its claim, as demonstrated above, and debtor has offered a replacement post-petition lien on the collateral. Therefore CNB is adequately protected. In addition, Debtor has obtained a commitment that would pay CNB Three Million (\$3,000,000.00) Dollars in the short term.

19. When the secured creditor's interest in the collateral is adequately protected, the policy and provisions of the Bankruptcy Code mandate the authorization for use of the collateral. See Metropolitan Life Insurance Co. v. Sunnymead Shopping Center Co. (In re Sunnymead Shopping Center Co.), 178 B.R. 809 (Bankr. App. Panel 9th Cir. 1995); MB Bank Dallas, N.A. v. O'Connor (In re O'Connor), 808 F.2d 1393 (10th Cir. 1987); Chrysler Credit Corp. v. Ruggiere (In re George Ruggiere Chrysler Plymouth, Inc.) 727 F.2d 1017 (11th Cir. 1984): see, also In re JKJ Chevrolet, Inc., 190 B.R. 542, 545 (Bankr. E.D. Va. 1995), aff'd in unpublished opinion, 117 F.3d 1413, (4th Cir. 1997) (*citing In re O'Connor*).

20. Use of cash collateral is necessary in order to allow a successful reorganization, based upon the continuing operation of the Debtor's business. This will benefit all parties, including CNB, which will receive a replacement lien as described above.

21. The relief is requested on an interim basis, until a final hearing on the Motion is heard before this Court with appropriate notice to parties in interest, as may be ordered by the Court.

WHEREFORE, having shown that it is entitled to the continuing use of cash collateral for its ongoing operations, the Debtor requests an Order authorizing such use, a hearing date in order to have this matter resolved as

quickly as possible and such other an further relief as the Court may deem appropriate.

Respectfully Submitted on this the 25th day of January, 2011 at
Greenville, South Carolina.

Re: 207 New Market Street, LLC - \$3,000,000 loan

Robert,

You asked for information that you can share with your lender.

AmeriCommercial Capital arranges bridge loan financing through private and institutional investors.

The underwriting criteria for a bridge loan centers on the quality of the collateral and the exit strategy of the bridge loan.

Quality:

The bridge lender will rely on an "as complete" appraisal and will hold back and disburse loan proceeds for construction improvements to insure that the project is completed in accordance with the plans, specifications and cost breakdowns incorporated into the appraisal and it's as complete value. The lender will hire an engineer to perform an initial review of the plans and specs and during construction inspect the project monthly for conformity and progress. Assuming all is in order he will approve the draw and the lender will disburse for payment of labor and material. (Same as any competent commercial bank)

The difference between a bridge lender and a commercial bank is the bridge lender does not consider:

Principals' and borrower's credit history or credit scores,

Potential for a business relationship,

Geographic location of the property or the client.

Exit Strategy:

The term of the bridge loan will be 24 months with a 12 month extension available for an additional fee. This term will be more than sufficient for this project.

Once the project achieves stabilization (Freddie and Fannie guidelines are 90% occupancy for 90 days) the project will be refinanced and the bridge loan will be repaid. All of our bridge lenders are very comfortable with these guidelines.

Timing:

Bridge lenders require an MAI appraisal performed for their firm by either CB Richard Ellis, Cushman Wakefield or Grub Ellis. Timing from date of engagement will be three weeks.

As we wait for the appraisal we will have submitted all data to the lenders for underwriting. Submission of the appraisal will be the final step except for title bring downs and minor housekeeping issues. We should be able to close the bridge loan within 45 days from today.

AmeriCommercial Capital background:
